

STATEMENT OF INTENT

WHAT **YOU** HAVE COMMITTED TO

INTENT

Strengthen the impact of Pacific libraries to better support the needs of Pacific communities through collaborative networking and advocacy

WE ARE THE PACIFIC

- **Complex and diverse**
- **Recognition of all as equal partners**
- **Value our contribution to the achievement of the SDGs**

It is our time!

GOALS

- **Develop legislative and policy frameworks**
- **Advocate for the role of libraries**
- **Improve literacy rates**
- **Preserve and promote cultural heritage**

It is our time!

ENABLERS

- **Promote and strengthen collaboration**
- **Build skills, capacity and recognition of the value of librarians**
- **Ensure equitable access to information**
- **Develop inclusive programs and services that support awareness and delivery of SDGs**

It is our time!

It is our time!

COLLECTIVE SERVICE

- Actions that address *limited and/or weak **capacity*** at the national level
- Actions that ***replace** one or more functions* normally delivered at national level
- Actions that call for *a **centralised** and/or pooling of resources*

COLLECTIVE COOPERATION

- Actions that help overcome issues of *coordination, information sharing, mistrust, and commitment*
- Actions that call for *voluntary and/or binding implementation*
- Actions where the *collective benefits* to all are clear
- Actions that may require mobilising *regional & global actors*

COUNTRY EFFORTS

- Actions that can best be achieved by *individual country effort*
- Actions that require *mobilising national* institutions and stakeholders

STRATEGIC ACTIONS

- We are clear about our **Intent**
- **Specific, Measurable, Attainable, Relevant, Time bound [SMART] & Costed** actions
- Who is **Responsible** for each action; and who will **Support** it

It is our time!
