resources

There is **no shortage** of resources in the Pacific

Governments – technical, financial, advocates, leaders

Donors – technical, financial, networks

Civil Society – technical, financial, networks [regional, global]

Within.

group questions

What **leadership** structure is needed to take forward the PLN?

- *who among us!*

Where should we target our **advocacy**?

- *national, regional, global processes?*

What types of **partnerships** are needed, and with whom ?

- *government, non-government, “like-minded”*
